Lehenaghmore Road Improvement Scheme: Upcoming Night Works on Pouladuff Road

Date: 19th June 2026.

I am contacting you to bring the following to your attention:

- Regarding the night time closures that we had in place on the Pouladuff Road this week: This task has been completed and the Pouladuff Road will not be closed tonight, Friday 19th June.
- We are scheduled to carry out nightworks for 5 nights on the Pouladuff Road next week, from Monday 22nd to Friday 26th June inclusive.
- These works will be carried out under temporary traffic management, using single lane traffic so that traffic flow past the work zone can be maintained.
- Working hours each night will be 7pm to 6 am.
- These works will be located between Forge Hill Junction and Southside Industrial Estate.
- Please note that daytime working will continue as normal next week.

We would like to apologise for the inconvenience caused by these works and to assure you that they will be progressed as quickly as possible.

While every effort will be made to adhere to the outlined schedule, unforeseen circumstances such as adverse weather, supply chain disruptions, or other unexpected events may necessitate adjustments. We will endeavor to communicate any significant changes to residents and stakeholders in a timely manner. We will try to minimise the disruption caused during these essential works and apologise in advance for any inconvenience that may be caused.
